Lions Clubs Hold “Special Kids Day” for Special Needs Kids

Sacramento – Special needs children and adults, living within a six-county area of northern California, are being treated to a Lions clubs sponsored Special Kids Day to be held in Sacramento. The event is scheduled for **May 18, 2024**, at Depot Park, **16 Business Parkway, Sacramento, CA from 10 a.m. to 3 p.m.**

“This free event is designed to bring together the families of developmentally, emotionally, and physically disabled individuals living in El Dorado, Nevada, Placer, Sacramento, Sierra, and Yolo counties,” said spokesperson Kitty Kramer. “As a service organization, the Lions Club is committed to making a difference in our communities and this is one fun and memorable way of giving back to our neighbors.”

Members with Lions clubs throughout District 4-C5 will offer interactive activities that include, arts and crafts, carnival type games, music/entertainment, motorcycle rides, guide dogs, horse demonstrations, face painting, train rides, bounce house and much more. Food and drinks will also be provided to guests registered for the event.

Individuals or groups can register for this event online at www.lionsspecialkidsday.com or download a form to mail. Guest reservations are limited and must be sent no later than May 1, 2024.

Lions Clubs International (LCI) is celebrated its 100th anniversary in 2017. Where there’s a need, there’s a Lion. LCI is the largest service club organization in the world. Our 1.4 million members perform valuable services in 210 countries and geographic areas around the globe. Lions are friends, family and neighbors who share a core belief: community is what we make it. District 4-C5 Lions has 53 clubs and approximately 1,500 members.
